

Wednesday 18th March 2020

Dear Parents,

Government directive to close day nurseries.

Following the Government's directive today, we are seeking clarity on a number of issues raised by the announcement which will impact how we now proceed.

This clarity includes the treatment of fees for those families where nursery services will temporarily cease.

We will provide full information for parents, including designated service providers by no later than Friday 20th March 2020.

Thank you for your patience and support whilst we navigate our way through this fast-moving situation.

Yours sincerely,

Emma Rooney
Managing Director
Childbase Partnership
